Chroma-Q Plus Color Changer

The new Chroma-Q™ Plus color changer builds on the great success of the Original color changer and adds new, advanced features, while maintaining the affordable price.

With over 30,000 units sold worldwide, the Original's industry proven performance and reliability is combined in the Chroma-Q™ Plus with new electronic features, increased capacity and other enhancements - providing even greater flexibility and usability from the same low cost unit.

- For fixtures rated up to 1200W & 6.8" (175mm) aperture
- Larger 20-frame capacity for more colors
- Optional universal mounting plate
- DMX control of features from console
- LED display with push-button menu control
- Variable fan & scrolling speeds
- Gel Saver mode
- Power assist scroll loading
- Conforms to RoHS legislation
- Recyclable

Proven reliability, advanced features and low price

Chroma-Q Plus... even more performance
