

Part Five/Chapter Seventeen

SPECIAL EFFECTS

DISCUSSION QUESTIONS:

1. Choose a vintage effect listed in the chapter and rethink it for today's audience. How can you update it to make it better received by a current audience?
2. Choose a early projection effect listed in the chapter and rethink it for today's audience. How can you update it to make it better received by a current audience?
3. Compare one of the projection segue effect with a projection from the last chapter. Explain why one is not better or worse than the other.
